

2010 Summer Show Camps - Grades 3 thru 12

Camp Days – 9AM to 4PM (Mon – Fri) / Two Final Saturday Shows

Our August Show Camps

Christopher Dock’s Longacre Theater

Our regular arts camps continue with great staff, broad appeal, and no “stars.” However, we know that some folks look for quality programs for the entire summer and opportunities to learn complete shows. Well, we got ‘em! It’s only our seventh year for this great program and it is already one of our most popular offerings. Yep, the gang of approximately 30 performers, 5 full- time staffers, and five aides produce a fully polished and produced Broadway style musical in just two weeks. Amazing and Fun!

Students gather for casting and week one at spacious and gracious centrally-located **Lansdale Presbyterian Church** and then move into the brand-new stadium-theater at ChristopherDock High School for another week of on-site polishing and performances.

There are daily games, recreation, snacks, bring-ins, classes, lots of support, and all the other things that make regular T&K camp so much fun. Specially selected staffers, lots of planning, a real love for kids, and appropriate show choices make it all stress-free yet professional. The accent is on growth and the end result in our two performances of each show is always stunning. We’ve done shows like Into the Woods, Bye Bye Birdie, Music Man, and Dear Edwina and T&K provides all of the elaborate sets, props, and costumes, along with advertising, ticket sales, and supervision to make it all a WOW of a production every time.

The price is only \$550 - only \$50 per day for an unforgettable theatrical, educational, social experience.

Our two final shows are on the final Saturday at 3PM and 7PM with a cast party between,

There are no hidden extras, ticket quotas, or parental volunteer lists – we do it all.

This year promises to be even more creative and fun than usual with

Yes, the 70’s lives again as the cast dances, sings, and TEACHES everyone involved the unforgettable lessons that go with one of television’s most creative education entertainment experiences. Produced all over American at even high schools and colleges, this show is pure magic for one and all. Elaborate sets and effects, multiple costumes and characters, and LOTS of stage time for every single performer. A full-out hit all across the country!

AND imagine - *the cast will actually be learning things they can use at school!!!* – what a bonus!

Interested in show camp? Register soon! With only about 30 spaces available, there must be grade quotas so we have fair representation and a balance of ages and abilities for each show. No entrance audition is necessary and the sooner we confirm your place the quicker you can solidify your summer plans.
